Foreword

The present volume is based on lectures delivered at a symposium organized by the Israel Academy of Sciences and Humanities on the occasion of the eightieth birthday of Professor Shaul Shaked, who became a Member of the Academy in 1986. The editors are grateful to the participants for their innovative contributions to the event and to the ensuing book.

Special thanks are due to Gila Brand for her first round of editing, to Deborah Greniman, Senior Editor of English-Language Publications at the Academy, for her painstaking, dedicated and professional editorial work, to Irit Nahum for her expert typesetting and to Yehuda Greenbaum of the Academy's Publications Department for overseeing the book's production.
